## Collaboration Collection

Broadway star turned dynamic interior designer,
Adam Hunter is known these days as taste-maker to LA's elite.
After working with Adam on a number of projects over the years,
a wallcovering design collaboration seemed a natural
and irresistible next step.

Our friendship was cemented during the 2020 COVID-19
lockdown. The open sky felt particularly poignant at a time when
we were craving an escape route and so, our two
collaborative designs were formed.
