ADAM HUNTER

Stardust
Collaboration Collection

Broadway star turned dynamic interior designer, Adam Hunter is known these days as taste-maker to LA's elite. After working with Adam on a number of projects over the years, a wallcovering design collaboration seemed a natural and irresistible next step.

Our friendship was cemented during the 2020 COVID-19 lockdown. The open sky felt particularly poignant at a time when we were craving an escape route and so, our two collaborative designs were formed.

The ethereal design evokes a clear night's sky,
strewn with hand-painted and embroidered
stars of all shapes and sizes.
