

FROM MENTAL

Mishima
Modern Chinois

Inspired by Japanese kimono patterns, these playful sparrows, painted in our raised gesso, dip and dive between wispy clouds. The beauty of this design is its minimalism, the relief paint effect catches the light, adding movement and depth to an otherwise simple graphic.

RIGHT-HAND IMAGE Mishima in Asama

As with stunning patterns within Omeshi silks, this charming design is a clever balance of wonderfully textural with a contemporary pictorial element.
