Meticulously rendered pheasants dance across the design, their long tail plumes cascading downward, evoking a sense of movement and grace.

The Faisans design unveils a rich palette of hand-painted colourways on the finest silks. Monochrome palettes and witty use of the ombré effect bring to mind Lalique's fine glassware with its exquisite frosting and staining.

# Colourways

**01 Bleu on White Silk**

Bleu's soft, monochrome palette takes in an array of tones, from indigo and midnight to steel and duck egg.

**02 Sepia on Moonlight Silk**

A graceful, tonal colourway featuring a plethora of brown hues and light gold metallic detailing.

**03 Charbon on Graphite Silk**

Charbon's whites and golds have a misty, chalky quality, imbuing the colourway with ethereal beauty.

**04 Doré on Gilded Paper**

The only printed colourway in our Faisans collection, Doré has a fabulously glamorous, Art Deco quality and is made using golden gilded paper, finished with crisp, hand-foiled details and hand-glazing.

**05 Bordeaux on Luangwa Strata Silk**

Bordeaux presents a richly toned version of our Faisans design, this colourway evokes the depth of red wine, set against a softly luminous silk ground. Warm, sumptuous and dramatic.
