Volume 3

Buckskin P015

The hand-varnished finish to this paper ground is similar to a rare wood veneer, fine leather or parchment.

Panel width: 930mm / 37" including trim

Roll size available: 10m / 11 yds; custom lengths are available upon request.

This product is batch printed and therefore dye lot variation between batches should be expected.

Tea Paper K001

Hand-dyed and antiqued squares sheets of rice paper are mounted together with joins onto a non-woven backing.

Panel width: 930mm / 37" including trim

The papers are pieced together with horizontal joins at either 18" or 36" inch squares recreating the effect of the traditional wallpaper.

Supplied as specified panel lengths; further information on panel layouts are available on request.

This product is hand-made to order and therefore some colour variation between sample and order set should be expected.

Metal Paper SC01

Hand-gilded and sealed with a lacquer finish.

Panel width: 1.1m / 43" including trim

Roll size available: 10m / 11 yds; custom lengths are available upon request.

This product is hand-made in batches and therefore some colour variation between sample and order set should be expected.

All products are backed on a non-woven base material. We recommend hand trimming both sides of the material before installation.

Please note images are for colour reference only, physical samples are available on request.
