

FROM MENTAL

Chinon  
Conversational

A European style rendering of an Asian garden scene, Chinon is painted using a process inspired by the techniques of raised lacquer work. Large scale foliage and birds adorn the walls; an incredibly versatile wallcovering, Chinon will dress any space with style.

**RIGHT-HAND IMAGE** Chinon in Henson Credit: Shalini Misra Interiors

Bold in scale and design, yet delicate in its execution, Chinon can create a spectacular feature or delicate backdrop.

# Chinon F009

Fromental wallcoverings are hand-made to order, tailored for each room. From supplied elevations and floor plan, we will place the design and panel seaming to ensure optimal installation.

## Technical Information

### Material and Technique
