Essentials

Vol 2

Volume 2

Rayonne FS01

100% polyester with horizontal slub, backed on a non-woven base material

Panel width: Available as 1.1m / 55" or 1.33m / 52" including trim

Sold in linear meters available to purchase as 10m rolls

Custom lengths are available upon request.

All products are printed in batches and therefore dye lot variation should be expected.
Products are backed on a non-woven base material.

We recommend hand trimming both sides of the material before installation.

Please note images are for colour reference only, physical samples are available on request.
