Collaboration Collection

British wallcovering atelier Fromental and French crystal house Lalique have collaborated to produce the first of a range of handcrafted silk wallcoverings which have been expertly hand painted and finely embroidered by master craftspeople to cleverly incorporate Lalique crystal.

The first of the series 'Hirondelles' is a highly decorated chinoiserie adorned with Lalique Hirondelles (swallows) and Dahlias in satin finish crystal.

The design has as silk background brushed with pearl that mimics the soft shimmer of frosted crystal. The flowers are hand-painted and embroidered to give them a sense of movement, depth and growth.
