Olive Grove
Collaboration Collection

Also known as the ‘Tree of Eternity’, the Olive Tree takes centre stage in this design, and is a demonstration of artistic flair and finesse. The twisted frame of the trunk is rendered in naturalistic tones, with winding delicate vines and branches peppered with olive fruit.

The softness of the leaves in shades of celadon green balance out the design, bringing a feminine elegance to it.

Fromental wallcoverings are hand-made to order. The designs within the Sophie Paterson Collection consist of a series of panel layouts which then repeat. Each design can be ordered as a straight run or tailored to fit by both trade and retail clients.

Straight-run

Supplied as a series of joining panels. In order to calculate the number of panels required, simply specify the wall height and the perimeter of the walls to be covered.

Tailored

We can also tailor the designs to each room. We will place the design and panel seaming to fit the space and ensure optimal installation, and submit a miniature design layout for client approval prior production.

This service carries a tailoring fee between 10-30% depending on complexity.
