V010-04 - DAWN SONG

Cocooned, in the most sophisticated style. Fromental's hand-painted and hand-embroidered textural velvet wallcovering 'Dawn Song' is at once modern, artisanal, and romantic—an enveloping abstraction of Fragonard skies.

Fromental wallcoverings are hand-made to order, tailored for each room. From supplied elevations and floor plan, we will place the design and panel seaming to ensure optimal installation.
